Pupil Premium Policy Statement

2026-27

To be reviewed July 2027

Pupil Premium Policy

Aims

This policy aims to clarify how the school will allocate Pupil Premium Funding within the context of Government policy.

Statutory Framework

The Pupil Premium is allocated to children from low-income families who are currently, or have recently been, known to be eligible for Free School Meals (FSM), and children whose parents are in the armed forces and children who have been looked after continuously for more than six months. *This group of pupils are termed 'disadvantaged' by OFSTED.*

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address what it perceives to be underlying inequalities and ensure funding reaches the pupils who need it most.

2026-27 Pupil Premium Allocation and Programmes

The level of the premium in 2026-27 was £1,550 per child.
The amount of Pupil Premium funding for period September 2025 to July 2026 was £390,600

This figure is based on **252** children, which has been an increase from the previous academic year.
