

How to Blog at Oxford Grove

1. Go to our school website – <http://www.oxford-grove.bolton.sch.uk>

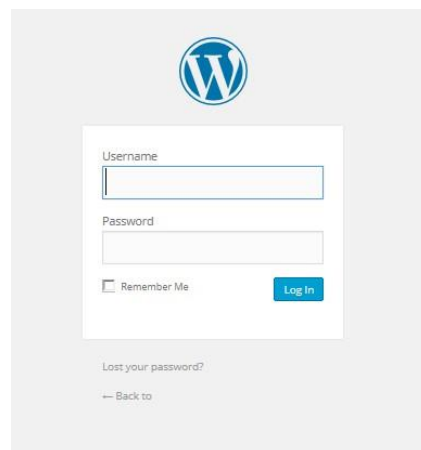

2. Hover over Learning Links, then hover over School Blogs and click on the blog you would like to see.

3. Click on Members Area – this will be on the right hand side.

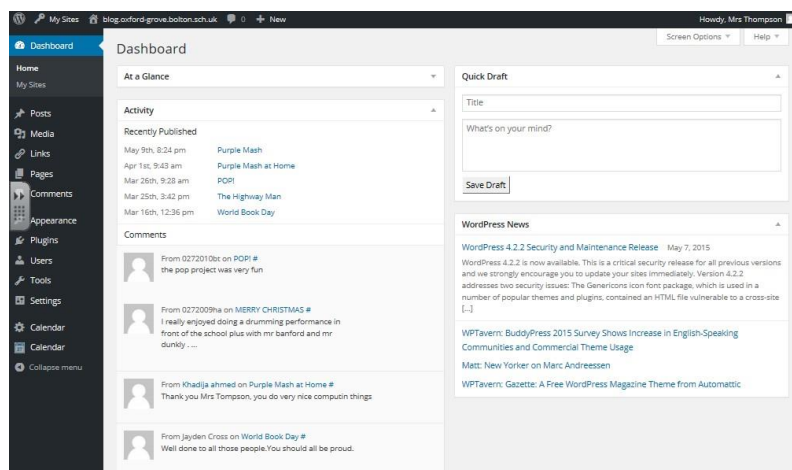

4. The children should enter the username and password they use at school in their lessons (this is the same as the Purple Mash log in found in their reading records.)

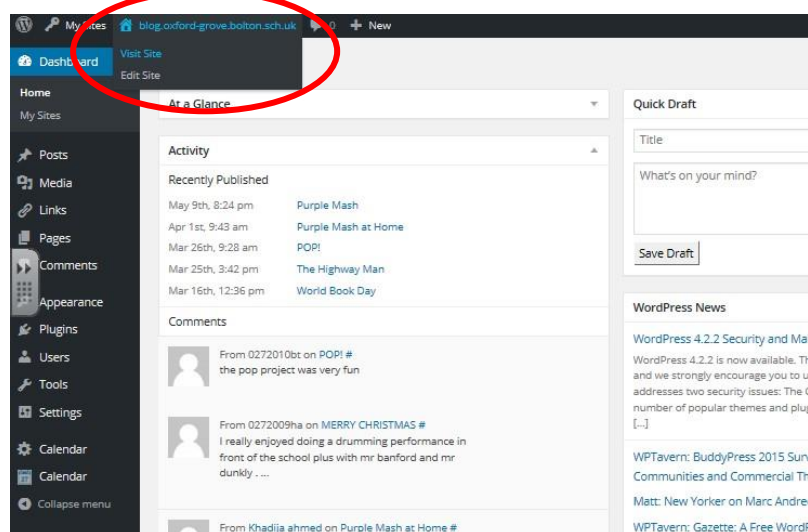

The image shows the WordPress login screen. At the top center is the WordPress logo. Below it is a white box containing the login form. The form has two input fields: 'Username' and 'Password'. Below the password field is a checkbox labeled 'Remember Me' and a blue 'Log In' button. Below the login box, there is a link 'Lost your password?' and a link '← Back to'.

5. This screen will appear when the children log in.

6. Click on the name of the blog site on the top, then View Site to go to the blog you wish to see.

7. To comment on a post, the children just need to type their comment and press 'Post Comment' to send the comment to a teacher for moderation.

is good team-work important for athletes, what do you think?

What did you enjoy?

Next half-term you will be taught by the P.E coach, are you looking forward to it?
