

Completing Home Learning assignments on Teams

You will need to login to Teams.

1. Click Assignments.
2. Choose the Assignment to complete. (Assignments will have a date and time when they are due.)
3. Click the link in the Assignment. Complete the activities and quizzes set, and take photos of the work completed in your child's workbooks.
4. On the Assignment, click the paperclip with 'Add work'.

My work

5. Attach the photos of your child's work.
6. Click 'Hand in' in the top right hand corner.

Your Assignment with the photos of your child's work will then be sent to the teacher. Teachers will provide feedback 2-4 times per week.
